

CLEARGUARD PANEL COVERAGE

Hurricane panels provide 12” of coverage when overlapped and an additional ½” for each end that is not overlapped.

Therefore the formula is - 12” x number of panels, + 1” = Total Coverage

Half Panels are available with 6” of coverage

Number of Panels	Coverage
1	13"
2	25"
3	37"
4	49"
5	61"
6	73"
7	85"
8	97"
9	109"
10	121"
11	133"
12	145"
13	157"
14	169"
15	181"
16	193"
17	205"
18	217"
19	229"
20	241"
